

Reduce out-of-pocket costs. Save on rising plan expenses.

By syncing with your insurance carrier, HealthLock restores privacy and control to healthcare while **helping employees save an average of 20% on their healthcare spend every year**—so they're happier, healthier, and able to focus at work.

Plan administrators benefit from actionable insights into insurance usage that can be used to reduce costs and predict future spend.

50M+
patient records
breached in 2021.
Protenus

Protect employee privacy and help stop fraud

HealthLock monitors providers for breaches, detects fraud at the source, and helps protect employee privacy. Upgraded plans include global medical, financial, and cyber ID theft protection.

56%
of people feel lost
about healthcare.
Bend HSA

Give employees more control over their healthcare

HealthLock automatically organizes and tracks employees' medical bills, providers, deductibles, and out-of-pocket expenses in a secure, easy to understand dashboard.

40%+

contain errors.
Healthline

Put more money back in employee pockets

Powerful HealthLock DeepAudit technology audits incoming medical bills and flags potential overcharges. At an employee's request, we work on their behalf to resubmit claims and help get their money back.

*"HealthLock manages my medical bills, negotiates with my insurance carriers and providers, and has **saved me nearly \$100,000 in medical costs.**"*
