HealthLock EmployeeCare provides a two-pronged approach to help clients save on health insurance:

1 HealthLock service to reduce out-of-pocket costs for your clients' employees (average savings of 20% annually).

2 Actionable insights into their insurance usage to help you and plan administrators make more informed decisions about providers and self-funded options.

Why choose HealthLock EmployeeCare?

- Help your clients reduce the impact of rising healthcare costs.

- Provide more than data—give actionable insights into what's driving costs.

- Strengthen existing client relationships with a completely unique value-add.

- Leverage insurance usage data to negotiate plan costs or recommend new plans—including self-funded options.

How HealthLock EmployeeCare works:

Employer enrolls workforce in HealthLock.
PEPM and free to fee options available. Get paid when employees upgrade.

HealthLock syncs with the carrier.
No additional employer action is required after this step.

Incoming bills are automatically audited for fraud and overbilling.
Employees can opt to have HealthLock negotiate flagged claims.

Employees keep more of their paychecks.

Admins gain insight into healthcare usage.
This anonymized data can be used to obtain better pricing, select a new provider, or make the decision to move to a self-funded model.
